IHSA EXECUTIVE SECRETARY

*Dear District Treasurer,*

*On behalf of the entire Executive Board of the Illinois Association of Student Councils, I would like to thank you for serving as your district's treasurer this school year.*

*Based on the IASC constitution and the changes approved two years ago, all district dues are paid to the state association. The \$25 district membership fee is collected in conjunction with state membership dues. Each quarter I will be issuing a check for the district membership dues that are owed to your respective district. You will receive four payments throughout the school year. The dates of the mailings will be as followed:*

*\*September 30, 2011*

*\*December 1, 2011*

*\*February 28, 2012*

*\*April 1, 2012*

*Included in the mailing will be the name and contact information for each school that has joined the IASC and paid their dues to both the state and the district.*

*Since this is the first time the state has collected both state and district dues there may be some issues along the way. I promise you we will work tirelessly to make this a smooth transition and work out any issues along the way. We are certainly open to any ideas you or your district members may have regarding this issue.*

*Don't forget to check out our website at [www.illinoisstuco.com](http://www.illinoisstuco.com). I'm sure it will help you answer any questions that you may have. Also, please don't hesitate to contact me with any of your questions and I look forward to meeting you soon at one of the many IASC functions.*

*Sincerely,*

*Alyssa Miller
