Activity, Club, and

Class Advisors

Creating a Positive School Climate

Training includes: defining the "advisor" role as advising, not merely "making it happen", the "how and why" of networking, setting expectations, perfecting brainstorming techniques for group decision making, group goal setting and mission statements, the "how and why" of team building and tons of useful resources.

CPDUs will be offered for those wishing to complete the evaluations.

Tuition includes:

- All meals and overnight lodging
- Seminar materials
- Networking
- Registration and evaluation for CPDUs

Workshop will be held at
Lake Williamson Center in
Carlinville, IL
January 20-22, 2012
