

Contract for Responsible Conduct

All delegates must sign and return this contract and turn it in to your advisor, who will then turn it in at the Convention registration.

Unlike many of today's workshops and conventions, privately owned business interests do not sponsor the IASC/IHSA's leadership workshops and conventions. The Illinois Association of Student Councils and the Illinois High School Association sponsor these workshops and conventions. These associations expect the same standards of student conduct that their member high schools throughout Illinois expect on a regular school day.

Convention Expectations

1. Delegates attending the convention are expected to be the leaders or potential leaders of the home school's student body. They are expected to exhibit the qualities of responsibility and good citizenship.
2. Delegates must be in their assigned rooms by the assigned time. Delegates are forbidden from entering a room of the opposite sex.
3. Delegates may not consume or possess alcohol beverages, tobacco, marijuana, or any other controlled substance. Any violation of this rule will result in the delegate's immediate removal from the convention. All expenses are student's responsibilities, and no refunds will be given.
4. Delegates are expected to cooperate and follow along with the agenda unless their advisor has told them differently.
5. Delegates agree that their picture may be used in promotion of the IASC workshop programs and conventions through pictures or video.

I have read the above rules and I agree to follow these rules. I understand that a violation of any of the above rules may result in my removal from the convention, and the immediate notification of my advisor.
