Dear Sirs,

We at _____ are contacting your organization to seek partnership regarding the Illinois Association of Student Councils' 75th Annual Convention. Gathering well over 1,000 student leaders from every corner of the state, the event will take place at the Chicago Hilton Hotel from May 6th through the 9th. The convention will feature leadership training, nationally renown speakers, and opportunities to becoming further involved in state-level student government. Specifically, we are requesting assistance in making this historic event available and feasible for our school and our respective leaders to attend. An event of this magnitude would have a profound impact on the future leaders of our local community.

We hope that you will choose to become a sponsor in our annual convention, assisting many of the best and brightest Illinois high school students the financial means to participate in this great event. If you have any questions you may contact Tori Weinberg, IASC Convention Secretary, or Michael Kennedy, IASC Convention Secretary's Advisor, at the information below. We highly anticipate working with you and look forward to further communication and collaboration.
