*Hello IASC! Its going to be a
AMAZING year!! We have so
many Exciting opportunities
lined up so stay tuned!!*

Letter from IASC

President Cameron

Moore

Greetings, IASC!

We have a very exciting year ahead of us, and I am very happy that you all are joining us for it. To introduce myself: I am Cameron Moore, your 2026/27 IASC President. I am from DeKalb, in the North Central District. You can contact me via email at <mailto:president@illinoisstuco.org>, I would love to hear from you regarding any ideas, suggestions, questions you have about IASC. As we are starting the school year across Illinois, I would encourage you to look into being an honor delegate or running for a board position at our convention this spring. Both are very rewarding experiences and I couldn't recommend applying enough! Again, my email is always open for questions regarding those opportunities. Additionally, I would encourage everyone reading this to try and get more involved at the district level this year. I look forward to hearing from and meeting you this year!

*Best wishes,
your IASC President Cameron Moore*

This year we had 3 of our officers travel to New Hampshire for VISION 2026!!!

Here's what Elise had to say about her time-

This years vision conference was such an amazing experience! They brought excellent speakers who inspired us all with their stories and advice! There were so many excited students who were ready to grow which made the conference so much fun! It was a great few days of learning, new leadership skills, and creating new relationships!

Here's what Raina had to say about her time-

I had so much fun representing Illinois at Vision this past summer! It was my first time going and I am so sad I can not go again! My favorite part was meeting so many new friends and listening to the guest speakers! I even got to meet Ed Gerity and he gave me a signed copy of his book. I'm so thankful for the opportunity and time I spent at Vision!
